## What are Features of the plan?

### A. Investment Strategies

**SUD Life e-Wealth Royale** presents 2 unique investment strategies which can be chosen by the policyholder at the policy inception. The policyholder can only have his funds only in one of the investment strategies as mentioned below:

#### 1. Self-Managed Investment Strategy

This strategy enables the policyholder to manage the investments actively. Under this strategy, policyholder can choose to invest the monies in any of the following fund options in proportions of his/her choice. Policyholder can switch monies amongst these funds using the switch option.

- Blue Chip Equity Fund
- Growth Plus Fund
- Balanced Plus Fund
- Income Fund
- Mid-Cap Fund
- Gilt Fund
- Dynamic Fund
- Money Market Fund

#### 2. Age-Based Investment Strategy

At policy inception, based on the risk preference (aggressive or conservative) of the policyholder the investments are distributed between two funds, Blue Chip Equity Fund and Gilt Fund, based on the age. As the life insured moves from one age band to another, the funds are re-distributed based on the attained age. The age wise portfolio distribution for both the risk preferences are shown in the table.

Attained age of Life Assured (years)	Aggressive		Conservative	
	Blue Chip Equity Fund	Gilt Fund	Blue Chip Equity Fund	Gilt Fund
Up to 30	80%	20%	60%	40%
31 – 40	70%	30%	50%	50%
41 – 50	60%	40%	40%	60%
51 – 55	50%	50%	30%	70%
56 – 60	40%	60%	20%	80%
61 – 65	30%	70%	10%	90%
66 – 75	20%	80%	0%	100%

**Annual Rebalancing:** On annual basis, units shall be rebalanced as necessary to achieve the above proportions of the fund value in the Blue Chip Equity Fund and Gilt Fund. The rebalancing of units shall be done on the last day of each policy year.

**Safety as Policy Approaches Maturity:** As the policy nears its maturity date, it needs to be ensured that short-term market volatility does not affect the accumulated savings. To achieve this, the investments from Blue Chip Equity Fund will be systematically transferred to Gilt Fund in five instalments in the last five policy anniversary before maturity of the policy.
