Know Your Plan Better:

Plan Options offered under the Product

Policyholder has option to choose any one of the below Plan options at inception of the policy, which cannot be changed during the policy term. For each Plan Option, the premium will vary based on Entry Age, Gender of the Life Assured, Sum Insured and Policy Term chosen.

The types of illness that are covered under each option have been classified as Minor illness conditions and Major Illness conditions. The list is attached as an Annexure 1*. The benefits payable under the plan will vary based on claims made under Minor or Major CI conditions, subject to conditions stipulated thereat.

I. Plan Benefits

A. Benefit: On diagnosis of Covered condition

In case the life assured is diagnosed with conditions listed in Annexure 1*, the policyholder will receive a lumpsum benefit based on the severity of the condition. Benefit will be payable to the policyholder as per the Plan Option & Sum Insured chosen.

Level	Payout (as % of Sum Insured)
Minor Critical Illness Condition	25%
Major Critical Illness Condition	100% less minor claims already paid

Sum Insured (SI) is Highest of

- 10 times of Annualized Premium OR
- 105% of Total Premium Paid (excluding tax and extra premium, if any) as on date of diagnosis of Critical Illness OR
- Basic Sum Insured to be paid on diagnosis of Critical Illness (CI)

* Refer the brochure for more information

Where, "Annualized Premium" shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any.

“Total premiums” paid mean total of all the premiums received by the Company, excluding any extra premium, any rider premium and taxes.

i Minor CI Condition:

1. Under a particular Plan Option, Maximum 2 minor CI condition claims are payable during the policy term subject to Cooling-off period, as defined below.
2. No multiple claims will be admitted by the Company for same Minor CI conditions under the selected Plan Option. In case if you have opted for Plan Option Cancer Cover, in order to qualify for a minor cancer claim benefit under this for the second time, the minor second cancer claim of the organs should be different from the organ of the first claim for which benefit has been paid. For the avoidance of doubt, for those organs with left and right component (including but not limited to breast, ear, eye, fallopian tube, kidney, lung, ovary and testicle), both components will be considered as one and the same organ. Further, each group of the following sites are also treated as one organ:
 - Basal cell and squamous skin cancer
 - Corpus uteri, vagina, cervix uteri
 - Colon and rectum
 - Penis and testis
 - Stomach and esophagus

Similarly, no claim will be paid for the same minor condition under Heart/ Liver/ Kidney Plan Options.

Waiver of Premium: On a valid minor CI condition claim, premium will be waived for a period of 3 policy years. In case the outstanding policy term is less than 3 years, then premium for outstanding policy term will be waived. The waiver of premium is applicable on diagnosis of first minor CI condition only.

ii Major CI Condition:

1. On diagnosis of major CI condition covered under the plan, an amount equal to sum insured less any minor claims already paid, if any will be paid to the policyholder.
2. Only one major CI claim will be admitted during the term of policy.

Cooling-off Period: Cooling off period is the time between two minor CI claims when no second minor condition claim shall be admitted. Cooling Off period is of 180 days from the date of diagnosis of a Minor CI condition claim and date of diagnosis of subsequent Minor CI Condition claim. However, this requirement of 180 days is not applicable in case of diagnosis with any of the CI specified under Major CI condition claim following a Minor CI condition claim.

Waiting Period: There is a waiting period of 90 days for all major CI conditions covered and 180 days for all minor CI conditions from the policy commencement date, or policy revival date, whichever is later. In case the insured event happens during this period, no benefit shall be payable.

However, 100% of the premium will be refunded from the Date of commencement of risk of the policy or from the date of revival as applicable and the policy will terminate with immediate effect.

No waiting period applies for Critical Illness claims arising solely due to an accident.

Survival Period: 15 days survival period is applicable. This refers to the period from date of diagnosis during which the life assured must survive before the CI benefit will be paid. The benefit shall be payable when the CI is diagnosed during the policy term irrespective of when the survival period of 15 days is completed.

B. Maturity Benefit:

On survival of the Life Assured to the end of the policy term, no benefit will be paid and the contract ceases.

C. Death Benefit:

No benefit will be paid on death of the Life Assured. The policy shall terminate immediately on death of the Life Assured.
